Dear Mr. Ravencraft:

On behalf of the staff and volunteers at the Latino Community Development Agency, we want to express our gratitude for your donation of twenty (20) complete and fully cooked Christmas Dinners for a family of eight.

Throughout the year, the Latino Community Development Agency strives to enhance the quality of life in the Latino community through education for, leadership of, services to, and advocacy on behalf of Latino people in central Oklahoma. The philosophy of the agency is not to duplicate services but rather to create bridges between existing programs and the needs of Latino people. The agency also seeks to create new programs that promote self-reliance and enhance the capacity of Latinos to be positive contributors to society.

We appreciate your assistance in making this mission a reality. Thank you again for your contribution. Since you received nothing of substantial value in return for your donation, the full amount of your gift is tax-deductible.

Sincerely,

Patricia B. Fennell  
President/CEO
