416 NW 41st
Oklahoma City, OK 73118

Dear Mr. & Mrs. Ravencraft,

We want to express our deepest appreciation to *"Dinner with Love"* for the fabulous meal you provided to the families at Inner City this past Sunday. Over 200 of the poor and homeless in our community received a nutritious meal. A meal that they would not have been able to afford on their own. What a blessing and treat!

Please know also, that I am praying for your ministry as well, that God will amaze you with an act of His faithfulness in just the same way your gift has Inner City!

For the Inner City,
